GRAPHIC DESIGN

The Graphic Designer Youth Apprentice is trained in graphic layout, software, editing, managing digital files, color concepts, and typography.

Length of Apprenticeship: One year

OCCUPATIONAL COMPETENCIES

Youth apprentices must complete **a total of 7** competencies per year. **Six** must be from the list below. If necessary, employers can substitute up to **1** competency per year with another occupationally appropriate skill. That skill should be added to the competency list for assessment. Note that where necessary, skills can be simulated.

Competencies
1. Analyze pre-flight requirements
2. Use graphic design software
3. Maintain digital files
4. Create and edit digital files
5. Apply and adjust color
6. Select typography
7. Create or edit a layout
